

From New York Times best-selling author J. Sterling comes the highly anticipated story about a second chance at love. Come fall for Cammie and Dalton as they reunite after 10 years in this emotional standalone novel - a story of a second chance that will tug at your heartstrings and leave a smile on your face. Cammie Its been 10 years since Ive seen him. Ten years. I have no idea what hes doing, where hes been, or if hes even still single. Have I thought about him over the years? Of course. Absolutely. But that doesnt mean anything, right? Just because you think about the boy you used to be in love with doesnt mean youre still in love with him now. Does it? Dalton I havent seen her in 10 years. Shes the only reason Im even coming to this reunion. If it wasnt for her, I would have stayed home. Sure, I made mistakes back in high school. Hell, I was just a kid then. But Im here to right my wrongs, to tell her Im sorry and win her back. She changed my whole life, and she doesnt even know it. Its time she knew.
