â€œRomantic and sexy. I love character-driven romances, and this one was awesome! Its a classic opposites attract story.â€• Mel Hannigan is a slick, savvy New York City commercial photographer who knows what sheâ€™s doing and where sheâ€™s goingâ€¦that is, until she heads upstate for a little drive time and ends up with her sports car in a ditch. Thatâ€™s where Helmut Engle finds her. Hes a solid, down to earth farmer. In spite of their differences, Mel and Helmut give in to an irresistible magnetic attraction and share an exciting, intimate interlude. She returns to the city but canâ€™t get him out of her mind. She attempts to drag him into her world by the scruff of his red neck and he tries to remodel his world to suit her. This sexy romance will keep a grin on your face.
