

Allen Taylor founded the #twitpoem hashtag in 2009. Since then he has been publishing micropoems using that hashtag and has encouraged a contingent of other poets to do the same. Starting in 2013 he began to publish three Twitter poems a day. A Twitterific Year is the culmination of that effort. This collection also includes almost 150 original #twitpoem never published until now. Through humor, insightfulness into the human condition, and uncanny word play, the poet invites you to see the world through a completely new lens.
