

Breathtaking and wise, Abigail Elliot and the Dollhouse Family by author Barbara Bliss is a celebration of the heart and of the family. A literary debut that truly exhibits the ties that bind a mother to her child, this children's fantasy fiction is a magical, whirlwind tale of one little girl's lively imagination. When Abigail Elliot is forced to endure the absence of her mother, she learns that the truly tender heart holds a flame for those it loves. With a lyric, at times piercing prose, the author crafts an affectionate world where a family that resides in a dollhouse soothes and lulls young Abigail to sleep at night with fond stories of her mother. Written for young readers, this book will not only intrigue, it will ignite an interest in history, genealogy, and the magical places of the heart.
