

Al-Andalus - the Moors called their Spanish domain. Today Andalusia is one of the most visited areas in Spain. It covers the whole width of the southern Iberian Peninsula and borders Portugal. Especially in this area the Moors left impressive testimonials of the Moorish culture: The Mezquita in Cordoba, the Alhambra in Granada as well as the almost impregnable town of Ronda, a spectacular location high up in the mountains situated on a rock plateau. Picturesque white villages all along the mountainsides invite visitors. Due to its bland climate the Costa del Sol is one of the most popular destinations in Europe.
