

“Vivid and fresh and finely crafted, this is a book that will strike a chord with anyone who has loved, lived, or wondered how we manage, in the face of our fragility, to carry on.”
Nino Ricci
This is the story of Zee, an aimless ex-lawyer who has turned his inability to make a decision into a fine art, and his wife, Alex, a practical and hard-working social worker who feels her biological clock ticking loudly. Reverberating with the emotional crises of the urban adult, Alex & Zee is an offbeat portrait of contemporary relationships, full of wickedly astute observations of city life and its multifarious life forms. Grimly hilarious at every turn, this is a terrific debut novel. Nominated for the 1995 W.H. Smith/Books in Canada First Novel Award and the recipient of widespread critical acclaim, Alex & Zee is the long-awaited reissue of Cordelia Strube’s biting take on contemporary romance.
