

What do you get when you ask 34 of today's top indie authors to each submit a story and then ask a team of ruthless judges to scour that ore and pick out the gems? You get All These Shiny Worlds: A world of today, divided black from white, good from evil, and held apart by the taste of a cookie. A world of griffons and glimmer bunnies, sassy llamas, and the magic of beer. A world of contemplation and serenity, of service and devotion, ruled by a jewel and guarded by children. Plus 12 more, for a total of 15 sparkling worlds to explore. From the brutal curators at ImmerseOrDie.com comes this collection of indie short stories, each a distinct jewel forged in the fires of judgement, and each carrying that simple promise: Guaranteed not to suck.
