

Mental Capacity Act 2005 is a factsheet from Alzheimer's Society. The Mental Capacity Act 2005 is a law that protects and supports people who do not have the ability to make decisions for themselves. This factsheet explains what mental capacity is, outlines the key principles (rules) of the act, and looks at how it can be applied when planning for the future. It will be helpful to people in England and Wales. About the Author Alzheimer's Society is the UK's leading support and research charity for people with dementia, their families and carers. They provide information and support to people with any form of dementia and their carers through their publications, National Dementia Helpline, website, and more than 2,000 local services. They campaign for better quality of life for people with dementia and greater understanding of dementia. They also fund an innovative programme of medical and social research into the cause, cure and prevention of dementia and the care people receive.
