

If you liked American Sniper, you'll love American Warfighter. This book is about what went right in the Iraq War: The untold acts of valor by some of America's most highly decorated combat veterans, the brotherhood they shared, and the fighting spirit that kept them alive through the war's darkest hours. Every word is true, composed from striking and detailed firsthand accounts by elite paratroopers from the 82nd and 101st airborne divisions, a Green Beret, an Army Ranger, infantrymen, combat medics, and Marines. You'll discover their remarkable heroism as the war's most significant operations are vividly described, including the invasion, the Battle of Nasiriyah, the taking of Baghdad, the hunt for the infamous Deck of Cards, the fight against al-Sadr's Mahdi Militia in Najaf, the Second Battle of Fallujah, the Battle of Ramadi, the al-Qaeda insurgency throughout the al-Anbar Province, the surge, and the long withdrawal. Gripping and intimate, American Warfighter is guaranteed to take readers on an unforgettable journey of brotherhood, survival, and courage.
