

Top 10 best seller in the African American Romance category in Kindle; dont miss out! A stand out interracial romance by Esther Banks. Chanel, a strong African American woman, is pregnant with child. No longer with her baby father, all she wants to do is focus on herself and the baby shes carrying. The last thing on her mind is meeting someone new... but thats exactly whats about to happen. Enter Wes, a white man whos everything she could ask for. What part will this new factor play in Chanel's pregnancy? And will he be someone who could potentially be a father figure to her baby? Before anything though, shell need to reveal to him that shes pregnant... and that the father is a black man. Could you raise another mans baby? The first in an on going series. This bwwm romance takes you from early pregnancy up to birth. Once youve read it, leave a review with suggestions on things that could happen in the next part of the series. The best ideas will be used in the next book and youll be credited for the ideas on the first page of text. :) Only for 18 years and over due to scenes of a sexual nature.
