

Any Way You Plan It Mike warned Marissa back in high school that if they kissed, sheâ€™d never get over it. He was joking, but he was also right. Ten years later and Marissa is well and truly stuck in Mikeâ€™s friend-zone and heâ€™s made it very clear thatâ€™s where sheâ€™s staying. Her love-life isnâ€™t the only part of her life thatâ€™s in a rut so when her elderly parents pack up and move South, Marissa admits itâ€™s time to move on with her life. With the encouragement of her friends Lucy and Cherie, the matchmaker, she updates her wardrobe and her attitude. Lucyâ€™s engagement party is the perfect place to start fresh and find her old self again, the self that likes to dance until dawn. Mike wants Marissa to be happy and heâ€™s convinced heâ€™s not up to the job, but he doesnâ€™t like watching her flirt with other men or worse, dating again. His twin brother, Todd, who is Marissaâ€™s best friend warns him to back off, heâ€™s had his chance. Is this a case of not knowing what youâ€™ve got until itâ€™s gone? And if so what is Mike prepared to do to get Marissa back with the whole town there to offer him advice. Will Marissa and Mike get their happily ever after or is it a case of too little too late?
