

Over 75 common, uncommon, and difficult surgical procedures of the foot and ankle are presented here. Key technical variations of these procedures are covered along with etiology, diagnosis, indications, and contraindications. A visual presentation in atlas format shows each procedure. Major sections of the book include: General Considerations, Reconstructive Surgery, and Trauma Surgery.

The Imagination And Other Essays (1883), Untold Secrets, Alternative Medicine (Need to Know), Surface and Underground Excavations: Methods, Techniques and Equipment, Elfquest: Shards #16, Memoir of an Eventful Expedition in Central America: Resulting in the Discovery of the Idolatrous City of Iximaya, Remarkable Aztec Children, ... )of the Ancient Aztec Founders of the Rui, The Ice-Maiden and Other Tales, Mush! Gronland per Hundeschlitten (German Edition), The Upper Room (1898),
