

Finding the separation from her immortal people too much to bear, Crystal soon returns to the Kingdom of Nine Winters. Her homecoming coincides with the Feast of the Four Quarters Festival where the magical realms come together to choose this year's new apprentices who will join, if chosen, the Supreme Circle of Mages. On this very special day, the princess meets a bold and courageous apprentice named Niculmus DeGrunt who is like no one she has ever met before but is there something sinister lurking behind those mysterious dark brown eyes? Outside the city, trouble is brewing and there is unrest within those who deem themselves above the law. Conspirators take matters into their own hands and soon the royal family is forcibly separated. Everything will hang in the balance when Crystal has no choice but to search for the lost Book of Souls and free the fourth mage from inside it. Beware! The power of the revengeful mage is about to be unleashed ...
