

*****FINALIST: Best Multicultural Novel, International Book Awards 2016***** Maui's ocean is beautiful, wild and deadly. It's been five years since the events of Rip Tides, and Sergeant Lei Texeira gets into hot water much deeper than she's used to at a crime scene ninety feet down off of the tiny atoll of Molokini, where the death of beautiful marine biologist Danielle "Lani" Phillips is anything but an accident. More suspects than a school of sharks circle a case that takes Lei into territory that hits dangerously close to home, even as husband Michael Stevens heads into his own uncharted depths. Toby Neal has delivered another preeminent novel in the irresistible and popular Lei Crime Series. In this tenth addition, Neal is better than ever, not waiting a moment to dive into a scintillating murder mystery set on Maui among that island's resplendent coastline treasures. Don't miss the very best of Toby Neal and the hottest Lei Crime addition yet. Bone Hook is a masterful, gripping story, destined to become a favorite journey into the darkness of selfishly deceitful human machinations set in the paradise of one of Hawaii's most heavenly domains. ~R.S.
