

Many language books are boringâ€”this one is not. Written by a native English speaker who learned Spanish the hard wayâ€”by trying to talk to Spanish-speaking peopleâ€”it offers English speakers who have a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious gringo errors. Writing with humor, common sense, and a minimum of jargon, Joseph J. Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, trickster words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speakers conversation and provides a valuable introduction to the most widely used Spanish slang. With this book, both students in school and adult learners who never want to see another classroom can rapidly improve their speaking ability. Breaking Out of Beginners Spanish will be an essential aid in passing the supreme language testâ€”communicating fluently with native speakers.

The Life Recovery Journal: Becoming a New You - One Step at a Time, I Lived Dangerously: The Autobiography of a Nomad Adventurer, English Philosophers Of The Seventeenth And Eighteenth Centuries: Locke, Berkeley, Hume - Primary Source Edition, Antitrinitarian Biography V3: Or Sketches Of The Lives And Writings Of Distinguished Antitrinitarians, World of Warcraft Con-Exclusive Ashcan #1 (Wildstorm - DC Comics), Behavior, Health, and Environmental Stress, SPORTS ILLUSTRATED--MIAMI HEAT 2012 CHAMPIONS--COMMEMORATIVE ISSUE (Sports Illustrated), Get Up and Go: Strategies for Active Living After 50,
