

Seven corpses are discovered in the streets of a Dragons fief. All identical, down to their clothing. Kaylin Neya is assigned to discover who they were, who killed them—and why. Is the evil lurking at the borders of Elantra preparing to cross over? At least the investigation delays her meeting with the Dragon Emperor. And as the shadows grow longer over the fiefs, Kaylin must use every skill she's ever learned to save the people she's sworn to protect. Sword in hand, dragons in the sky, this time there's no retreat and no surrender!
