

Cats have nine lives. People don't. When cyber-sleuth Pete Hanlon goes to the gym, he has no idea he'll reconnect with the red-hot woman he shared a single, memorable dance with at his brother's wedding. Coolly confident ex-cop Alyssa Montgomery agreed to help out a friend, but soon discovers she must deliver the ransom for a stolen cat. Worse, she needs Pete Hanlon's help to save the kitty and solve a potentially deadly mystery. Can the two work out their differences in time to figure out what's really going on before something terrible happens? Or will they miss out on their one chance at love?
