

A 1992 talk given at the Natural History Museum on shell books and the joys of antiquarian bookselling by one of the leading natural history specialists of the period. Tony Swann was born in London in 1950. He graduated in Politics from Reading University and as a pilot from the RAF College Cranwell. For nearly 40 years he was an antiquarian bookseller. Divorced, he now lives quietly in retirement and has a wonderful 18 year old son.
