

Authors preferred edition Over their father's deathbed, young Meliara Astiar and her brother Branaric promise to lead their people against the evil King. The impoverished count and countess discover that even when the cause is right, leading a war is much tougher than it appears. When Meliara falls into the hands of the elegant Marquis of Shevraeth, the enemy commander, she knows she has to either escape or die. After a desperate chase across country, she discovers that she and Bran are not alone—but the alliance is offered by the person she hates the most. Once the king is gone, she faces a new type of battlefield: not muddy fields and sharpened steel, but marble palaces. The weapons now are fashion, manners, and the subtle and secret language of fans. Finally, there is the toughest challenge of all, courtship. For how do you defend yourself when the one who draws your eye, and your heart, is your worst enemy? The e-book edition has the above plus several scenes from the hero's point of view.

Supple Workout, Stretching for Health and Flexibility, En Dansker I Mongoliet: Den Vide Verden Og Den Gronne Skov, Footprint Egypt Handbook: The Travel Guide, Software as a Service Inflection Point: Using Cloud Computing to Achieve Business Agility, The Book Of Business Etiquette, The Confessions of Nat Turner: The leader of the late insurrection in Southampton, VA, James McNairs Squash Cookbook, Congo Diary: The Story of Che Guevaras Lost Year in Africa (Centro de Estudios Che Guevara), In The Grip of The Nyika Further Adventures in British East Africa,

Crown Duel has ratings and reviews. Caralyn said: This book for me did have some good points, but the bad points far won out. I will start with.

This is a trade paperback edition of the re-edited ebook edition of Crown Duel. In addition to the edited text and the inclusion of Vidanric's Birthday Surprise, at.

Young Countess Meliara swears to her dying father that she and her brother will defend their people from the growing greed of the king. That promise leads.

Editorial Reviews. About the Author. Sherwood Smith started making books out of paper towels Crown Duel - Kindle edition by Sherwood Smith. Download it. About Crown Duel.
