

Michael Miller's dynamic program, Dare to Live, has been presented to thousands of students, teachers, counselors and parents bringing a timely message that has helped save dozens of kids' lives. DARE TO LIVE the book is an upbeat, practical look at recognizing teen depression and suicidal behavior, learning what to do and how to build better understanding and communication between teens and parents. DARE TO LIVE addresses: what depression is, 12 warning signs, how to help an at risk teen, how to talk to each other, drug and alcohol abuse, sexual abuse, love and respect, balance and self-esteem, a support guide, and includes a suggested reading list.
