But there's something else waiting—something threatening to tear them apart. Kash is ready for it all with Rachel, especially if all includes having a football team of babies with his future wife. In his line of work, Kash knows how short life can be and doesn't want to waste another minute of their life together. But now his past as an undercover narcotics agent has come back to haunt him ... and it's the girl he loves who's caught in the middle. Trent Cruz's orders are clear: take the girl. But there's something about this girl that has him changing the rules and playing a dangerous game to keep her safe. When his time as Rachel's protector runs out, Trent will turn his back on the only life he's known—and risk everything if it means getting her out alive.
