

[Siren Classic: Erotic Paranormal Romance, vampires, HEA] After making the ultimate sacrifice in order to save his perfect brother and mate, Cain Hartzlers patience with Destiny has grown thin. Resigned to an eternity spent alone, Cain decides its time to choose his own Destiny once and for all. But every choice he makes holds a greater consequence than the last. There is only so much an immortal heart can take, and once Destiny Santos grabs hold of Cains, he is changed forever. Cains ever-confident bad-boy reputation is shaken to the core by this mere mortal, and he will do anything to have her, but another female has set her heart on Cain, and he must make an impossible choice once again. A storm unlike any other is coming, The Order is changing, and passion will burn hotter than ever before when Cain Hartzler is finally pushed too far. There is no escaping Destiny when she calls! ** A Siren Erotic Romance
