

“Did my girl make a mess in her diaper?” Twenty year old Angie is attracted to an older man, and she decides to be forceful and make the first move. Jack doesn't like it when she misbehaves, so he shows her that if she's going to act like a spoiled child, he's going to treat her like one - complete with diapers. **WARNING:** This 4,500 word story contains graphic language, a sexy 20 year old lusting after an older man and explicit descriptions of them engaging in ABDL, age play, wet and messy diapers, oral sex, masturbation, voyeurism, and first time anal. Intended for **MATURE AUDIENCES 18+ only!** **EXCERPT:** He slowly unfastened the diaper and opened it, revealing the sodden center of the diaper. “We™ll just have to get you cleaned up.” Jack reached for the bag he had grabbed earlier and pulled out a small package of baby wipes and another diaper. He pulled the wet diaper out from under me and replaced it with a clean one. Methodically, he cleaned every part of my body with the wipes, cleaning every trace from my tender flesh. I could feel my arousal starting to build again, and I desperately wanted to feel him touch me with more than just that baby wipe.
