

Audie Award Finalist, Personal Development, 2014 The legendary Dolly Parton shares for the first time her deeply held philosophy of life and her heartfelt hopes for everyone. Based on the hugely popular commencement speech Dolly Parton gave at the University of Tennessee that became a sensation, Dream More is a deeper and richer exploration of the personal philosophy she has forged over the course of her astonishing career as a singer, songwriter, performer, and philanthropist. Using her speech as a jumping-off point, Parton explores the four great hopes she urges us to embrace: Dream more, learn more, care more, and be more. She culls examples of these values from her own life as illustrations, from growing up poor in the hills of eastern Tennessee to her experiences as the iconic performer she has become today. Written by one of the cultural legends of our time, Dream More is a poignant and uplifting anthem for all who want to take charge of their lives and forge a future on their own terms.

The Shepherds Bride (Love Inspired LP//Brides of Amish Country), Columbo the Hoover Files (Thorndike British Favorites), Religions of the World Made Simple, The Collected Works of Edward Carpenter: Englands Ideal and Other Papers on Social Subjects (Routledge Revivals: The Collected Works of Edward Carpenter), Surprise, Trojans!: The Story of the Trojan Horse (Ready-to-Reads),
