After failing to get into a prestigious art show Jen and her roommate Sarah develop a plan to seduce the rich dominating art dealer Rick Harmon and convince him to place her painting in the art show. Excerpts: The entire dinner she couldn't help but focus on every small detail that made him perfect. His strong fit chest breathing up and down under his shirt. The way his hands delicately handled a wine glass yet forceful with a knife. The motion of his tongue licking his full lips after taking a sip of wine. The sound of his light scruff as he scratched his jaw. The way his piercing blue eyes took her entire body in, suggestively conveying what she desperately wanted. Her panties had been soaked wet all night, her heart tired of constantly jittering. She was surprised she had contained herself that long. Yet she was finally succumbing to her thoughts. She had never felt such waves of desire before. The warmth of his hand resting firmly in her lower back, the tingly sensation she felt down the back of her neck as he lightly caressed her head, her erect nipples rubbing the soft fabric of her dress as they embraced. She leaned her head back, exposing her neck to his wondering mouth. A tornado of tingles shot down her spine as he lightly bit her neck, only to nurse the spot after with a soft kiss; the cold air bringing attention to every kiss before the last. Hotel Escort Description Brooke is a high class escort who's sick of the usual pudgy business man clients. Finally she gets a chance to have fun with a new stranger. Find out what this mystery man has planned. Excerpt: My eyes traced over the objects. First a short handwritten note, then a bottle of wine and a single glass. But I felt a slight jerk in my chest when I saw the last two things. A black satin blindfold laid delicately over a pair of shiny handcuffs, no key in sight. I couldn't help but notice my excitement building. I had done my fair share of light bondage in the past. But it had been a while. Most clients weren't into that sort of thing so it was nice to potentially have something different... Without warning he gripped my strawberry blonde hair and forced my head back against the top of the chair. I gasped as a slight pain attacked my scalp, small prickles flowed across my head as his grip tightened. I looked up at the powerful force hovering above me, controlling me and my emotions. The Sex Club Excerpt: ...Just as she began to lose herself in Heathers experience a jolt of electricity shot down her legs. She looked down at the man's still white face. The black holes for eyes occasionally flickered as the real man underneath blinked. He watched her as her mouth dropped open. His finger working slow circles. The restraints pained her wrists as she tried to reach down and grip the man's strong shoulders. She had never been tied up before. She had never completely given up control to another, let alone a stranger... The Boss Excerpt: I sat in his chair and played the video where I left off. My nerves quickly became rattled at the thought of what I was doing. There I was sitting in my boss's chair watching his sex video, with a busy office outside. I glanced at the door, assuring it was shut. I couldn't help myself. I had to keep watching...
