

Being prepared for any scenario is the trademark of any good CIA operative, and Eve Wolfe is one of the best. But when her latest mission literally explodes in her face, she wakes up labeled a traitor and "even more surprising" in the custody of elite Aegis Security operative and ex-lover Zane Archer. Although she still secretly has feelings for Zane, he's now demanding the one thing that she can't give him: the truth. When he caught her breaking the rules years ago, Zane let Eve walk away without an explanation. Now someone has not only sabotaged Aegis but also turned an American city into a war zone, and all signs point to Eve. Zane needs answers that can come only from Eve's still-tempting lips, and he finally has the elusive operative right where he wants her "at his mercy." The first book in bestselling author Elisabeth Naughton's new steamy romantic suspense series brings a spy in from the cold and sets her heart ablaze.
