

Book 2 in the Devlin Dynasty series This book features Shannon Storm from the Storm For All Seasons series. Fall Fury is also Book 2 of that series. Shannon Storm is the feisty, independent director of Public Relations for her family-run hotel, The Rising Storm. She's less than thrilled at the arrival of Max Devlin, hotshot PR guru from Boston, but has no choice other than work with him on the new casino venture. Like the magical elements of fall that she possesses, Shannon's emotions run hot and cold where Max is concerned. She guards her heart under leaves of indifference, but beneath she's boiling with need for what only Max can give her. Max Devlin is on more than just a PR mission on his trek to New Orleans. Not only is he there to work on the casino project, but he's setting down roots in Louisiana. And the first step is to find a mate. The trouble is, Max harbors a secret that he's going to have to very carefully reveal to the woman he's chosen. That woman is the cool on the surface, hot within Shannon Storm. He wonders if Shannon's feelings are powerful enough to accept who he is and what he is. By the light of a full New Orleans moon, their magic will merge, and two people with secrets to hide must learn to trust in their love before their destinies can unfold.
