

Welcome Back to The Springs! The last thing Officer Rhys Anderson expected to encounter at the end of his quiet Sunday afternoon shift was a beautiful woman stranded by the side of the road in his hometown of Cedar Springs. After that one chance meeting, and despite the fact that Rhys knows there's something Kari is hiding, he can't keep his mind off her. All Kari Fox wanted to do was run as far away from her life, and her controlling ex-husband, as possible. She never planned to end up stuck in a small mountain town, and she definitely never expected to fall for the handsome police officer who helped her. With a good job at the Springs resort, good friends and a steamy new relationship, things are finally beginning to go right, and Kari might even be starting to believe that she has a future in Cedar Springs. But Kari has secrets. Secrets that threaten to destroy everything she's trying to create, including her relationship with Rhys. As the truth comes to light, will their connection be strong enough to withstand the truth of her past?
