

FLYTE: faith. life. together. Volume 2 - Learner Magazine encourages preteens to come up with answers to some of the most difficult situations they may face. Guided Bible study pages keep preteens interacting with Scripture as they learn how God's view and the world's view of a particular subject is not the same. Situational studies enable preteens to identify with concepts and scripturally based activities keep them interacting with the world around them. FLYTE is a Bible study curriculum for kids ages 10-12, one that speaks to what they're dealing with right now ? not what's past or in their future. Each volume includes 13 simple to execute sessions. Preteen experts?namely, preteens themselves ? weighed in on the energy, movement, and excitement of Flyte during its development so that key biblical concepts are not only grasped, but applied, to issues like eating disorders, puberty, sex, bullying, emotions, family relationships, etc.
