

Teach your child the value of forgiveness and how to cherish true friendship. Teaching your child to forgive is an essential tool in life that will make the transition from childhood to adolescence easier. Holding onto anger and resentment is a recipe for anxiety and depression for both children and adults. The earlier forgiveness is taught, the earlier you can prevent children from undertaking the role of the victim. That in turn helps to prevent anxiety and depression. This inspiring fable tells the story of two friends, Rabbit and Monkey, who have a tradition of embarking on a different adventure every year. This year, they both decide to set off on a rather challenging adventure, even more challenging than their last. They both agreed that they will take a journey through the desert to the amazing oasis. However, on their way, they experience some difficulties that puts their friendship to the test. Join the friends on their trek through the desert to the amazing oasis and discover the true meaning of friendship and the value of forgiveness along the way. Will Rabbit and Monkey find their way to the amazing oasis? Will the friends discover a way to get along? Will the oasis look and feel like the one they had envisioned? Will Rabbit and Monkey remain good friends? Will this adventure strengthen their friendship? This book will help you teach your children the importance of forgiveness and also provide them with an important way of thinking about life that can result in a happier and healthier lifestyle. From this book, your child will learn to let go of anger and resentment even in the most difficult situations, a vital tool which they will need throughout their life. It also provides parents, teachers, and counselors with an entertaining method and a useful resource to teach children. This book is creatively designed and carefully written to assist you in helping your child to not only learn the value of forgiveness but also to appreciate and cherish true friendship, while embarking on a journey to discover the meaning of friendship. The lesson of this book is best expressed in this inspirational quote: "When someone hurts us, we should write it down in sand, where the winds of forgiveness can erase it; but when someone does something good for us, we must carve it in stone, so no wind can ever erase it." This well-written and inspiring story delivers easy-to-digest education complemented by vibrant, delightful illustrations. This story may be ideal for reading to your kids at bedtime and enjoyable for the whole family as well! It is suitable as a read-aloud book for preschoolers or a self-read book for older children.
