

Winner of Best Cover in the 2016 Pulp Ark New Pulp Awards The Dragon Lords Library returns with ten all new stories. You can tell a lot about a dragon by their hoard. Not the shiny one, the other one. The one where they keep their favorite things. Some dragons keep a private stash of dwarven-wrought artifices, and others tapestries that run from wall-to-wall and corner-to-corner. The Dragon Lord himself has a library. A library that devours halls and caves, filling them with every kind of book and codex and scroll. These are the stories that fill his favorite shelf. Of course theyâ€™re his favoritesâ€™ theyâ€™re all about dragons. Pull these stories down. Breathe in the vanilla scent that only comes from the oldest books. Savor the writing. Trace your fingers over the calligraphy. Welcome to the finest library ever known. Featuring stories by Patricia S. Bowne, Shawn Hossein Mansouri, Silas Green, Rose Taylor, Edward Ahern, Elizabeth Hopkinson, Gregg Chamberlain, Liam Hogan, Sylvia Downes, and Sue Pettit. Edited by award-winning curator Nicole Petit.
