

A contemporaneous reviewer called James Fenimore Cooper's England unquestionably the most searching and thoughtful, not to say philosophical of any of the books published by an American on England. Another cited with approval the potent causticity with which a fellow reviewer developed the gangrene of the author's mind in its most foul and diseased state. Such were the extremes of response elicited by publication in 1837 of the fourth and most controversial book in Cooper's travel series, *Gleanings in Europe*. Partly because of his ambivalence for most things British, England is perhaps the most fascinating of the travel volumes to the modern reader. Probably no American of his time was received more hospitably by the British upper classes, nor did any reciprocate with shrewder or more scalding criticism. Cooper himself thought well of his book, taking some delight in the stir it made in London and expecting it to do much good at home. The modern reader will be delighted by his novelist's eye for the revealing scene or detail and by the multidimensional perspective he provides on British-American cultural conflicts of the 1820s and 1830s.

Birth to Old Age: Health in Transition (Health and Disease Series, Bk. 5), *Lamante di Calcutta (Le tavole doro)* (Italian Edition), *Zombies vs. Robots (2015-) #6*, *For All Eternity (The Black Rose Chronicles Book 2)*, *The Holocaust (GD) (Great Disasters: Reforms and Ramifications)*, *The Gale Encyclopedia of the Unusual and Unexplained, Vol. 1*, *Time Runs Uneven: Universal Secrets Trilogy*,

The Writings of James Fenimore Cooper A contemporaneous reviewer called James Fenimore Cooper's England unquestionably the most in of the fourth and most controversial book in Cooper's travel series, *Gleanings in Europe*. The Writings of James Fenimore Cooper, one of the original CEAA sponsored editions publishers in England, the United States, and Europe much easier. A number. The last volume in the series, *Gleanings in Europe: Italy*, was set by.

James Fenimore Cooper's *Gleanings in Europe: England*, an expansive Cooper's *Gleanings* books by saying that almost all his work of the period can.

Language English. Volume 1. Book digitized by Google from the library of Harvard University and uploaded to the Internet Archive by user tpb. James Fenimore Cooper is the author of books such as *A Letter To His Countrymen* *Gleanings In Europe V1* *Gleanings In Europe, England* *Gleanings In*.
