

As night falls in the enchanted forest, the unicorns and their friends gather to get ready for bed. Say goodnight to all the types of unicorns – the pearly-whites, the foals, the oldens, the fluffies, the jet-blacks, the cuties, and more – as well as the wonderful beings who attend them, from rainbows and fairies to baby dragons and, of course, the full moon. Readers who've always wondered about unicorn habits, what a group of unicorns is called, and other mysteries will also be captivated by the fun unicorn facts that follow the story. It's a magical, fantasy bedtime story for unicorn lovers young and young-at-heart! The perfect hardcover gift book for anyone head-over-hooves for unicorns, flying horses, or little ponies.
