

Lets face it. Hard as we try, none of us can avoid contact with difficult people. Some people just seem to savor unnecessary and unhealthy conflict; they dont seem to be happy unless they are driving those around them crazy. Best-selling author and noted relationship expert Dr. John Townsend helps us better understand what makes button pushers act the way they do - and why they want to elicit a negative emotional and even behavioral response from us. He challenges readers to take personal responsibility and stop responding to difficult people in ways that just dont work! He then offers a whole new repertoire of responses, including specific guidance on body language and verbal scripts, which will allow us to confront and negotiate with crazy-makers on a brand new level.
