

Jeff has come home from a long day from work and inadvertently stumbled into an a hot, intimate situation between the two young men living under his roof. They don't seem to notice him, so he decides to use this information to test the waters when the soldier takes off to go back to his wife and he's left with Jamie. He schemes a way to get what he wants from the submissive twink but unbeknownst to Jeff, Jamie has plans of his own... This is a 4500 word story featuring a hot encounter between an older man and a younger man, blackmail, oral and explicit intercourse. All characters in this story are eighteen and over. EXCERPT: He cursed himself, silently, almost as soon as it flung open. It didn't occur to him to say anything, perhaps because the door slid on its hinge without a sound, pulling back the curtain on something he wasn't supposed to see. His adam's apple hitched in his throat, terrified that Mark would catch him watching. It was hardly that he'd never seen Mark taking a whiz, but he was facing the wrong way from the toilet. His jaw fell open, watching the young man there with his head back and his cock sprung up, stiff. He didn't know why he couldn't form any words in reply. It almost seemed like he had to let himself believe it before he actually saw it, but there Jamie was. Kneeling. He easily took Mark's length, working him back and forth like it was the only thing worth paying attention to. Mark was using his hand on the the crown of Jamie's head to ram further; having no intention of letting him do all the work. Jeff might've been standing there for fifteen minutes or fifteen seconds but he watched Mark unload and for his part, Jamie swallowed eagerly and a smile spread on his lips. He kissed at the soldier's crotch lovingly while Mark stroked his hair and whispered to him. He'd finished with a pleased, dazed look on his face. The sound of his wet lips kissing Mark's body made Jeff churn. He'd known it all along but until this moment, it was none of his business. Jeff didn't know whether he felt his stomach knot because he felt repulsed or because he was violating the sanctity of something private and precious.
