

Kelsie Rose, a young girl who seems to have it all together for someone her age. Freshly starting college, she's looking forward to her future. Although she lived a pretty sheltered life, Kelsie didn't have many wants or needs. Being raised by a single mother due to her father's imprisonment, left Kelsie with the void of a father's love. Unlike most girls in Kelsie's predicament she didn't go searching for someone to fill that void. She didn't expect anyone to be able to, until she met him. There was one problem... She's in a relationship. Feeling torn, Kelsie quickly learns that it's a tricky business when dealing with matters of the heart. Egypt Martin, a young Casanova... Smooth, handsome, and paid. Egypt comes from a broken home, which isn't a foreign thing to some. However, when his estranged father approaches him with an opportunity that seemed too good to pass up he is forced to make a life altering decision. Egypt set out on a mission and made a vow that no one would be able to set him back. That's until he meets a girl that changes the game. Who wants a perfect love story? We all do. Unfortunately, things aren't that simple for these two. Kelsie and Egypt find themselves entangled in a whirlwind romance seemingly over night. The heart wants what the heart wants and not much can be done about that. However, when you have everyone and everything threatening to break apart what you worked so hard to build, you are forced to re-evaluate. Is it worth it? Will we make it? Are questions the two are faced with daily. Hands are dealt and cards are played... Lies, betrayal and jealousy erupt on these pages. Taking you on a roller coaster ride of emotions. Does love really conquer all?
