

Born in a tavern to an actress, all Scher Martin has ever wanted is respectability and a family of her own. Then Kit Frazier, the fourth son of a titled family, offers for her, and Scher seizes her chance. But instead of family, Scher encounters ridicule, mockery and Kits cousin, Viscount Blackstone. Scher sets Blackstones heart afire with a single glance. He knows what she wants... what she deserves. But his life is a sham from which he cannot escape, his wealth and newly acquired title built on a public lie undergirded by murders no one will admit happened. Blackstone also knows Schers heart beats only for him, and he belongs to another. **REVIEWS:** Realistically dark, emotionally intense, and richly sensual. ~Booklist One of the best historical romances Ive read this year. ~The Romance Reader **REGENCY HEARTS REDEEMED**, in series order **Her Wicked Surrender** **His Wicked Seduction** Other Books by Jade Lee... **REGENCY RAGS TO RICHES**, in series order **No Place for a Lady** **Devils Bargain** **Almost an Angel** **The Dragon Earl** **MEET JADE LEE:** Jade Lee, a USA Today bestseller, has two passions (well, except for her family, but thats a given). An author of more than 40 romance novels, shes decided that life can be full of joy without ever getting up from her chair.
