

Time passes, but passion and vengeance endure. The erotic memories are not Olivia's own, yet they shake her to her core. And she knows what it is to be shaken: years ago, a deranged stalker drove her into a life of isolation and distrust. But enigmatic Lucian Wilde will breach all Olivia's defenses, down to her bare skin and very soul. Lucian believes he and Olivia host the spirits of two lovers brutally murdered decades before. He, too, is consumed by waking dreams of wild encounters with a woman he's never met, inhabiting heated flesh not his own. It's intoxicating, maddening, frightening. When he and Olivia meet, the sensual compulsion is irresistible. She is Marissa, he is Damien and their desires won't be denied. But the person who murdered Marissa and Damien is still out for blood. To entice the killer, Olivia and Lucian must give in to passion and possession and pray that history won't be repeated.
