

One-hundred-fifty years ago, Lewis Carroll created a new literary and creative landscape called Wonderland. This blank keepsake journal honors that creative endeavor. In its pages may you find your own magical landscapes. Whether youre thinking of at least six impossible things before breakfast or pondering which way to go on the journey of life, these pages are the perfect place to capture your musings. Sure, you can record your thoughts on its 8 x 10-inch pages, but dont just stop at words. Alice and her adventures in Wonderland are just about that: Wonder. So celebrate the wonder of your life in these pages. Its filled with pages designed to get your crazy, creative juices flowing. Dispersed throughout the book are quotes -- sometimes written in mirror image and sometimes upside down -- from Alices Adventures in Wonderland. What else could there be in a book inspired by Wonderland? The zany designs of the pages encourage more than just words. Paste and draw pictures on the pages, doodle, scribble notes, make paper airplanes, origami, paper cutouts, or collages. Let your soul soar as you tumble down the rabbit hole!
