

NO is Rico's least favorite word ... and he tries his best to convince his dad, his mom, and his teacher to turn No into Maybe or We'll see or Later or I'll think about it. Even though he doesn't have much success, Rico keeps arguing until his teacher suggests that he try to join her classroom's Say YES to NO Club. If Rico can learn how to accept No for an answer and to disagree appropriately with his teacher and parents, he can add his name to the club's Star Board. Rico finds that lots of praise and some rewards come his way when he uses these skills the right way! Author Julia Cook helps K-6 readers laugh and learn along with Rico as he understands the benefits of demonstrating these social skills both at home and in school. Each colorfully illustrated page includes both the Spanish and English text. Great to use with children in grades K-6 who are learning to speak and read either language.
