

Museum curator Summer Hawthorne considered the exquisite ice-blue ceramic bowl given to her by her beloved Japanese nanny a treasure of sentimental value“until somebody tried to kill her for it. The priceless relic is about to ignite a global power struggle that must be stopped at all costs. It's a desperate situation, and international operative Takashi O'Brien has received his directive: everybody is expendable. Everybody. Especially the woman who is getting dangerously under his skin as the lethal game crosses the Pacific to the remote and beautiful mountains of Japan, where the truth can be as seductive as it is deadly“.
