

Incidental: Occurring or likely to occur as an unpredictable or minor accompaniment*
Happenstance: A chance circumstance * Neither was looking for it. Neither was expecting it. But sometimes, life has other plansâ€¦ One year after the loss of her fiance, Tia Hastings needed to find a way to start over. She had to figure out how to be single again, but she had no idea how to do it. Last Stop was a tiny pub with no significanceâ€”she chose it to be anonymous, to watch the interactions between the sexes so she could figure out how to start her life overâ€¦ Dylan Miller was a megastar. It was impossible for him to move amongst the general population without being recognized, but he longed to simply blend into a crowd. He donned a disguise and wandered into Last Stop, a dark little hole-in-the-wall where he was sure he wouldnâ€™t be recognizedâ€¦ When their worlds collide, Tia and Dylan discover something neither of them thought possibleâ€”love. But when a fallen star sees Dylan as her ticket back to the top and will stop at nothing to make him hers, Tia wonders if sheâ€™s out of her league; and out of time to rescue the love she thought sheâ€™d never find againâ€¦ Is it fate? Coincidence? Or both? *freedictionary.com
