

International tax evasion has been the "Sport of Kings" for centuries. Cloaked in secrecy, done surreptitiously, no one could ever prove it. The "Super-rich" (i.e. the top 1%) get away with "tax cheating" and used their "tax cheating proceeds" to buy assets; e.g., real estate, boats, planes, cars, diamonds and art (all of which may constitute "money laundering"). The willful tax cheating by the super-rich may be "tax treason" defined: "the betrayal of a trust, treachery; the offense of attempting by overt acts to overthrow the government of the state to which the offender owes allegiance. So why do tax cheats get away with treason? Why do governments all over the world let the richest people cheat on their taxes and commit "tax treason"? What is the bottom line to tax treason? Is it that billions of people around the world suffer and live without adequate nutrition, housing, clothing, health care and education? Who is responsible for this tax mess? With the proliferation of the Internet as an information database, after centuries of secrecy, the truth is coming out. Transparency is coming of age, and for the super-rich tax cheats, their days appear numbered
