With not a care in the world, Alexis plans to live her life her way, and no one can stop her. But it's not as easy as she wants and with Alexis, trouble just seems to be drawn to her like a magnet. With nothing but murders and betrayal at every turn, Alexis is going to use every trick in the book to get out. Secrets are revealed, and Alexis doesn't know who to trust. What she does know, is that she's not going down without a fight; and for her to win, she has to play dirty.
