

This powerful title carries an important message that can benefit everyone- a message destined to revolutionize the stance between the human race of the future with one principle--- FULL DISCLOSURE! The world is facing the most sinister crisis that life on earth has ever seen before in history... After 40 years of living in the belief that the Military Industrial Complex (MIC) has been secretly involved with evil ETs from another world since the end of WWII, this author, tells the true story of an incident at Fort Polk, Louisiana, with benevolent ETs in a mission to re-acquire a TOP SECRET directed energy weapon (DEW) from the hands of the US Army. After the device had been removed from further development, the entire clandestine effort was hastily covered up by the corrupt MIC, the Army Top Brass and the Intelligence agencies (FBI, NSA,CIA,CID, and the unknown MIBs). After a Congressional Inquiry, a discharge and a verbal threat of death by the Shadow Government and Army Top Brass ensued. This is the first book written by the author, expecting readers to demand FULL DISCLOSURE from Congress of UFOs, Secret Projects, ETs and MIC budgets. Every reader will no longer doubt how powerful and deadly the US Military (MIC) actually is with the content told and actual documents. You, the readers, will finally understand the purpose of this book and join the Treaty to Prevent and build Space-Based weapons forever by telling everyone that, Its About TIME, is the key to ending all Wars and military control backed by the very rich Elites!
