

This Joan Hall Hovey Special Edition published by Books We Love contains three of Joans novels. **NOWHERE TO HIDE** Raised in an atmosphere of violence and unpredictability, Ellen and Gail Morgan have banded together, survivors of a booze-fertilized battleground, forming a fierce united front against an often cold and uncaring world. When their parents are killed in a car crash, Ellen becomes the mother figure for Gail. When fifteen years later Gail is brutally raped and murdered in her shabby New York basement apartment, practically on the eve of her big breakthrough as a singer, Ellen is inconsolable. Rage at her younger sisters murder has nearly consumed her. So when her work as a psychologist wins her an appearance on the evening news, Ellen seizes the moment. Staring straight into the camera, she challenges the killer to come out of hiding: Why dont you come after me? Ill be waiting for you. Phone calls flood the station, but all leads go nowhere. The police investiganster in his lair and the hunter has become the hunted! **NIGHT CORRIDOR** After nine years in Bayshore mental institution, once called the lunatic asylum, Caroline Hill is finally being released. There will be no one to meet her. Her parents who brought her here are dead. They have found her a room in a rooming house, a job washing dishes in a restaurant. She will do fine, they said. But no one told that women in St. Simeon are already dying at the hands of a vicious predator. One, an actress who lived previously in her building. And others. **LISTEN TO THE SHADOWS SOMEONE WAS STALKING HER. NOW HES FOUND HER...** When artist Katie Summers emerged from a four-day coma, she remembered all too vividly the horror of that night - the terrifying dead eyes that had stared back at her in the rear view mirror, causing her to crash her car. But nobody believed her. Even the enigmatic and disturbingly attractive psychiatrist, Dr. Jonathan Shea, implied that she had made the whole thing up. Or dreamed it. Released from the hospital, still weak from her ordeal, Katie took a taxi to her remote farmhouse on Black Lake. Darkness had already fallen. There was only the wind in the trees to greet her...and the cold and empty house. But the house was not quite empty. Something awaited her, upstairs in her bedroom. Something with cold, dead eyes...
