

Taste the passion! Dionysus, the god of wine and ecstasy, has always been shunned by the other Olympian gods. Needing to reclaim his lost passion he travels to Las Vegas to meet his half-sister, Kory, and her husband Deven (Persephone and Hades). During a guest Dom stint at the famously secret hidden Palace of Hades sex show, he encounters two submissives who recharge him. With these two mortals by his side, he decides to reestablish his cult, with the two as his priest and priestess. Ariana, a banker on the fast track to become a board member before she's thirty, needs to hide her after hours kink from her father, the bank president, so when she agrees to submit to Sir Dion, she makes that part of their contract before she signs. Of course, hiding the fact she's in a relationship with two sexy men is not easy. Tad, vice president of Labyrinth Casino, came to The UnderWorld with an ulterior motive. He never intended his breath would be taken away by the fun and hot Dom and Ariana, his fellow submissive. In a Journey to Ecstasy, all three will confront their inner demons, but will their newfound feelings prove enough to overcome the hidden secrets so the ecstasy can take full flight into a three-way love of the ages?
