

Klara is a little different from the other cows, because she has a very special talent. She is so special that a Prince offered to buy her from the farmer, but the Prince soon learned that Klara is more precious than any money he could ever offer. It's okay to be different, and it feels good to be loved and special, let's learn more about Klara and her friends in this fun rhyming picture book! This rhyming book for children is full of colorful and fun illustrations that will enchant your kids hearts, and they will want to read this rhyming story over and over again. This baby cow book for kids is a great read-aloud book and is perfect for preschoolers at bedtime as well as a self-read book for older children. Additionally, you can download the free sing-along soundtrack and sing-along with the whole family. Once you and your kids hear this catchy tune about Klara The Cow, you will be singing yourselves to sleep! This a great rhyming book for toddlers and also a perfect early reader book. Rhyming teaches children who are learning to read about the patterns and structures in both spoken and written words. Rhyming and songs expose children to the rhythm of language, which helps them read with some animation in their voice instead of just a monotone voice. Rhyming also helps children learn about word families such as cow, now, bow, how and so on. For instance, if your child is learning to spell, if they can spell cow, they can spell how and if they can spell how they can spell now. Have you ever seen kids sitting and happily listening to someone reading in a monotone voice? I haven't. If you want to hold a child's attention, read with inflection and animation, and they will sit glued to your voice. Rhyming and rhythm are very important skills that help a young reader learn to use inflection and animation when reading aloud. Rhyming also prepares kids to make predictions while learning words and gives them crucial interpreting skills. Another free download that comes with Klara The Cow Who Knows How To Bow, is an audio MP3 file of the author Kimberley Kleczka, reading the book in her always fun and animated style. Your children can read along with the author, or just listen and enjoy.
