

La conjura de Cortes culmina la trilogía de Martín Ojo de Plata: en la Nueva España se desarrolla una historia plagada de intrigas, corrupción, aventuras e imaginación. Catalina se ve obligada a desenmascarar una conjura de sus enemigos para derrocar al rey de España. La aparición de un mapa que desvela donde encontrar el legendario tesoro de Hernán Cortés desempeñará un papel clave en el plan de Catalina para descubrir a los traidores y cumplir su palabra de acabar con los Curvo. La doble personalidad de Catalina Solís / Martín Nevares enfrentará además un grave peligro para su equilibrio: el amor. Una vez más, Matilde Asensi sorprenderá a sus lectores con un final inesperado.
