

Esta ficcion recrea las increíbles y trepidantes aventuras de un adolescente de Bachillerato, Pedro, urbanita y acomodaticio, en una excursion rural. Los limites de la realidad se ensanchan y el protagonista ha de lidiar con fantasmas, monstruos y humanos de dudosa catadura que buscan su ruina. Su carga moral aumenta porque ha arrastrado a una amiga a la que respeta y no sabe como sacarla del atolladero. Con perseverancia, fe y grandes dosis de ingenio, se las arregla para buscar una salida en una horrible cueva de leyendas siniestras. El estilo agil, desenfadado y levemente ironico invitan al lector a bucear por una realidad verosimil y a la vez, increíble. Los mensajes eticos ayudan a un entendimiento profundo de la naturaleza humana: el hombre comun se ve necesitado de realizar pequenas hazanas cuando menos lo espera.
